UPDATED PRESS RELEASE, *For Immediate Release*

Salt Lake City, Utah (August 9th, 2020) – Bristol Hospice, a portfolio Company of Webster Equity Partners, is pleased to announce the purchase of Remita Health in the states of Arizona, California and Nevada; adding the Remita hospice service locations of Orange County, Northern Los Angeles, Central Los Angeles, Inland Empire, Las Vegas and Tucson.

Bristol Hospice CEO, Hyrum Kirton, remarked that, “We are graciously committed to our mission that all patients and families entrusted to our care will be treated with the highest level of compassion, respect and quality of care. With the addition of Remita Health’s hospice programs we look forward to fulfilling that commitment in the local communities we will be serving. Likewise, we are enthused to welcome a team of like-minded healthcare professionals who are known for their excellence in providing quality patient care. Bristol Hospice is excited to share our specialty care programs like Bright Moments and Sweet Dreams with this team as we strive (together) to provide the best possible hospice care while living the Bristol motto of embracing a reverence for life.”

Larry Nabb, President & Chief Operations Officer of Remita Health also noted that, “We have endeavored to live our company mission daily and deliver compassionate patient-centered care with excellence and dignity. The name “Remita” combines the Latin words “Rem” (purpose), with “ita” (way); our logo even symbolized our ‘purpose’ through a single aspen leaf that encircles and protects the patient’s heart, or ‘way’. We see this heart of hospice and purposeful dedication to excellence in patient care evidenced in Bristol Hospice. Their reputation for care quality is well known and we are looking forward to seeing how our local communities will greatly benefit from all that Bristol Hospice has to offer.”

Edgemont Partners acted as exclusive financial advisor to Remita Health in its transaction with Bristol Hospice.
