Bristol Hospice announces that they have acquired Mid-Delta Hospice in Mississippi. No financial terms were disclosed.

Belzoni, MS June 20, 2024 – Bristol Hospice, is pleased to announce its acquisition of Mid-Delta Hospice in Mississippi. Mid-Delta Hospice was founded in 1978, with the goal of providing compassionate care to the community. Bristol Hospice CEO, Alex Mauricio, remarked that, “Mid-Delta Hospice, has a very special history and outstanding reputation for delivering exceptional patient care throughout the great state of Mississippi. Sitting down with Dr Reed, I was inspired by her story and the desire to serve her community through the home health and hospice benefit. We respect and are grateful for the opportunity to carry on her legacy.”

“Our combined team will be made up of the most talented and compassionate professionals who are committed to maintaining the highest clinical standards while continuing to expand Bristol Hospice across new and existing communities. Our goal is to be the best version of Bristol every single day. By doing this, our employee’s will feel valued and empowered to serve their community with the highest level of care, every single day. This team, will change the way hospice is done in Mississippi forever.”

Bristol Hospice was founded in 2006, with the goal of providing the highest quality hospice and palliative care services to meet the physical, psychosocial, and spiritual needs of individuals at the end of life. Bristol has a long history of providing exceptional hospice care to the patients and families they serve nationwide and are very excited to bring that tradition to Mississippi.

Bristol Hospice has grown significantly across the United States, since their opening in 2006, and is currently amongst the top few providers nationally in the number of patients being cared for daily.
